

## Welcome Visitors & Newcomers

A warm welcome to visitors & newcomers! It is great to have you worship with us today. Please complete the information in the black welcome pads as they are passed and then pass it to your neighbor. Please take a welcome packet from the tables at the entrance.

At New Life we host an open table for Holy Communion. All are welcome to receive this free gift of God's grace. We believe Jesus is 'really present' in, with and under the bread and wine. Even though the bread and wine do not change in physical form, Jesus presence in, with and under the bread and wine makes this much more than a remembrance or symbol of God's love. Because of Christ's presence we also believe the real effects or benefits of this meal are; the forgiveness of sin, life with God here and the promise of life with God to come.

Children are welcome to come forward for a blessing. First communion instruction is scheduled before Holy Week for 2nd grade students. Gluten free wafers are also available for those that prefer that option. Note: The wine is red and the grape juice is white.

The nursery is staffed during the 10:30 time of worship and is located south of the worship space.

We are a church that shares a living, daring confidence in God's grace. Liberated by our faith, we embrace you as a whole person--questions, complexities and all. Join us as we do God's work in Christ's name for the life of the world.

**This is Christ's church. There is a place for you here.**

**June 23 2019**

**2nd Sunday after Pentecost**

Our summer series will explore some of the real people of the bible who had a real and deep faith. These characters that we know so well, were incredibly flawed people too. God not only called, empowered & used them, but God uses, calls, & empowers the ordinary, flawed and sinful people of today too. Each week, we will meet a real person of the bible who God used, called and equipped. God used them to witness of his faithfulness and his promise to always be with us. Here's the reality, we are flawed, ordinary and sinful, and God uses us to be witnesses too. You are empowered and equipped to be a witness to God who is faithful and just and whose mercy endures forever.
